A festival which connects Music, Tourism, Ecology, Art and Culture with respect for the island and its environment.

A meeting point in Formentera for initiatives that promote solutions for a quality development and sustainable tourism. An opportunity to travel to Formentera in Spring and to enjoy its spectacular scenery, beaches and unique people. Different stages and locations for shows with emerging bands (mostly from the Barcelona area) representing the mediterranean music fusion. A must for all Formentera Lovers.

Posidonia Festival is an EcoFestival which compensates its CO2 emissions, warming. Posidonia Festival Formentera 2008 promotes a Culture of Peace
